

HIPY SQUARE 110X110 IP67 LED GE

Our popular floor spot Hipy continues to shine with its trailblazing personality. Still in two sizes 70 and 110, and in round and square shapes. We've added a warmer colour temperature (2700K) to the range. Designers can create a welcoming path from the outside to the inside –or vice versa– and keep a consistent light effect. Thanks to the new CCT, Hipy is now more accessible to designers for an indoor floor expression.
