

## PISTA LINEAR FLAPS PISTA TRACK 48V LED LINEAR FLAPS GI (2000MM)

The two thin, elegant flaps on both sides of Pista's new linear module make it already an obviously beneficial new member of the family. The new module shows off an interesting esthetical value and has the functional feature of reducing glare. Additionally, the flaps have the visual effect of extending the slim track profile. This gives designers endless options to create interesting light patterns. The new module is available in 5 different sizes, in black and white structure.
